Thank you to Lichfield Canine Society for inviting me to Judge this class dedicated to the memory of Teresa Hadley and to my Ring Stewards for guiding me through the process. To my fellow Glen owners many thanks for supporting me at my first judging appointment. It was a pleasure and not as easy as it looks from the other side of the table.

### Puppy

1 - 715 Amhard Quick Sand – A lovely girl with good expression, feminine head and pleasing body proportions moved with balance. One to watch as she develops.

2 - 711 Amhard Quick Fire – A good developing boy with dark eyes, teeth with scissor bite, good head and well-set tail. Could have moved better today

3 - 717 Heremone Bear – Lovely puppy boy, nice size, good head teeth and eye expression. Needs to gain confidence in the ring but this will come as only a baby.

### Junior - Absent
